Summary:

The meeting began with FA Chief Negotiator updating the process of our team in terms of returning information. This was followed by a discussion of forward schedules and logistics.

The teams discussed...

- Sessional contracts: being underpaid, having heavy workloads, not having the ability to become a full-time Faculty Member, no preparation time before courses begin, etc. (G1)
- The Employer argued that many Sessional Instructors have other full-time jobs. The FA argued that relevance.

- The meaning of 1/5th and workload.
- The FA stressed the importance of good and fair working conditions for all Members.
- Trust between the Employer and Faculty as well as within the bargaining table.
- Inflation and the possibility of a “cola clause”.
- Right of recall and how one gets right of recall.

Adjourned.
