Attention: Dr. Andrew Trivett

Dear Dr. Trivett:

Re: Conciliation – University of Prince Edward Island Faculty Association / University of Prince Edward Island

Pursuant to an application by the University of Prince Edward Island Faculty Association for the services of a Conciliation Officer in the matter of a dispute between the above noted parties, Ms. Patricia McPhail has been assigned as the conciliation officer to the dispute. I have been advised by the conciliation officer that the parties have met on three dates, have had discussions on five of the thirty-three matters identified as top priorities by the Faculty Association, and that some limited progress has been made.

As requested to be confirmed in writing, I am allowing a longer period for the conciliation officer to file the report under section 26 of the *Labour Act* so that all outstanding matters identified can be discussed. I have asked the conciliation officer to provide me with a further update on the day following your next meetings, which I understand have been tentatively scheduled for October 31 and November 1.

Your continued co-operation with Ms. McPhail will be very much appreciated.

Sincerely,

Bloyce Thompson
Minister
